

samenvatten – niveau 2

Hieronder zie je een fotocollage, die de tekst samenvat. Vul jij de collage verder aan en kan jij voor elke foto een bijpassend tekstje schrijven?

The collage features four photographs on a cardboard background. In the top-left, a person in a dark hoodie and cap holds a baseball bat over a car. In the top-right, a person stands on a car. In the center, a dense favela is shown. In the bottom-left, a stack of gold coins sits on a surface with banknotes. The text 'Slechte levensomstandigheden' is written diagonally in the top-right area, 'Favela's' is written in a red banner across the middle-left, and 'Brazilië' is written in the bottom-right area. Blue arrows point from each photo to an empty rectangular text box: one to the top-left box, one to the top-right box, one to the middle-right box, and one to the bottom-right box. A fifth empty box is located at the bottom-left.
